SCHOOL CAMPS

Year 6/7 Camps 2020 & beyond

The Primary Team met earlier this year to discuss the upcoming school camps.

With students going to High School in Year 7, 2022 and the current bi-annual camp structure to Canberra and Murputja School on the APY Lands, we worked out that one year group would miss out on the opportunity to go to Murputja. (The current year 4s).

Cohort groups are colour coded.

The solution?

From 2020 the Murputja camp will be offered each and every year. I recently emailed the Principal of the Murputja School, Luke Carter, with the proposal.

I'm happy to say the Murputja Governing Council have agreed for Port Elliot students to visit each year.

The Murputja community will continue to visit Port Elliot on a bi-annual basis.

Josh's New Guitar

Josh was presented with a new Alhambra Spanish Guitar at Assembly on 13th September by his Guitar Teacher Anne Todd. Anne was recently in Sydney for a Guitar Concert and put Josh's name forward to win the guitar. It was donated by Pierre, the Australian rep for this guitar. Josh couldn't believe it, saying "is this my very own guitar?" After playing it for a month, he said...

"It's a great guitar. a pleasure to play."

STUDENTS SENT TO FRONT OFFICE...

... for pizza with the Principal and Deputy Principal!

At Port Elliot Primary, we have students achieving excellence in many different ways.

This can be seen in the classroom, other times in our specialist subjects and of course in the schoolyard. We believe it's important to remind our students when they are achieving greatness. Sometimes students are lucky enough to be sent to the front office to show these achievements.

These happy campers attended the Principal Pizza Party at the end of Term 3, to celebrate their achievements.

THE COLOUR CRAZE THAT'S SWEEPING THE NATION™

From today, we commence the School Run4Fun Colour Explosion which is as a major fundraiser this term so we do ask for your support. The more money we raise the more we can provide for the students through vital school projects, in particular **Parent Network's Fun and Educational activities!**

The School Run4Fun Colour Explosion will be held on **15th NOVEMBER, 2019 (Week 5, term 4)**. We do ask that you bring a spare change of clothes to school, **most importantly a plain white shirt** as the students will be covered in powder from head to toe. The day's focus is on fun and fitness with the added benefit of raising funds for our school.

Colour Powder

The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly. Toxicological Risk Assessment and ingredient listings can be obtained from the School Office upon request. Students with asthma are advised to be careful in their decision to participate.

How Does My Child Fundraise?

Students have now received a Sponsorship Form with instructions on how to raise money and order prizes. Students obtain donations in cash using the Sponsorship Form together with online fundraising.

You have the option to choose up to five (5) prizes and this will set your fundraising goal. Family and friends are your greatest supporters, so ask them first for your support. You will reach your fundraising goal in no time.

Student Profile Page

You can also register for online fundraising. It's the easiest way to help your child raise money and to reach your fundraising goal sooner.

WIN A SHARE OF \$200,000 WORTH OF FREE SPONSORSHIP DONATIONS.

Create a Student Profile Page at www.myprofilepage.com.au and enter your unique code found on page five (5) of your Sponsorship Form to see if you're an instant winner. Give your fundraising goal a kick start!

You have two options to place your prize order:

SLAM POETRY COMPETITION

On Thursday Week 1, Term 4 students in Mrs Hancock's and Mrs Dybala's Yr 6/7 participated in a Slam Poetry Competition.

After studying poetry throughout Term 3, the students wrote and performed their own slam poems in front of their classmates.

The criteria the students thought about when deciding the winner of the slam poem competition were:

- It's important in the world
- Interesting to you as a listener
- Intelligent and thoughtful
- Humorous, funny
- Delivered with passion

The students voted the best Slam Poet by having a clap/cheer off. The three poets who received the most applause were Mikayla K (who was awarded the Slam Poetry Trophy), Jude C and Poppy S.

Big thanks to Hamish for his continuing support, helping the students write their Slam poems, sharing his own poems and making the Slam Poetry perpetual trophy.

Hamish's efforts with the Year 6/7 students is amazing and always inspiring!

The top three poems were...

McDonalds - By Mikayla K

The place we love, the place we run to at 3am when everything else is closed.

The golden arches that create the M.

The place we trust. The place we see in almost every country. It's been around for ages.

It almost makes me want to sing

Supercalifragilisticexpialidocious.

If you know that song you know what's going on,

but if you don't that's quite ok, I'll sing it

anyway. "Supercalifragilisticexpialidocious, even

though the sound of it is really quite atrocious, if you say it loud enough it really is precocious.

Supercalifragilisticexpialidocious." And yeah, so

I'm going to say that louder because well

MCDONALDSSSSSSSSSS is great even though it gets a lot of hate.

Well you know me I like to eat 20-30 Big Macs a

day, Along with 60-75 packs of chips and 15 or so freezes and look at me, I'm as thin as can be,

that's just what Macca's does.

You know McDonalds world famous burgers

well, funny enough when McDonalds just started the first item to be on the menu was hot dogs!

McDonald's Caesar salads contain more fat in them than a Big Mac. Ok, all jokes aside; Is

Ronald McDonald not the creepiest clown you've ever seen or what?

I mean who cares about Pennywise he hides in a sewer whatever. Ronald is EVERYWHERE; I

mean you never know where he'll be, it's just so creepy, it's going to be the next horror movie I

bet and what will we do then.

I don't know, but whatever for now, so look out for Ronald he'll get ya.

See page 5 for more winning slam poems...

SLAM POETRY

Chicken Slam Poem - By Poppy S

Imagine being locked in a cage that is as big
as you are,
You are squashed, squished, don't get the
chance to nourish,
Miserable, smelly, and sorrowful.
I am here today to speak for the chickens at my
own choice,
Because they don't have a voice and are
experiencing all those things at this very
moment.
Chickens deserve to live their lives to the fullest,
So, they can unlock their true potential,
Freeing chickens is essential, and it is crucial,
That we help save these amazing creatures.
Chickens are omnivores, they're basically
dinosaurs.
They've been around for 10,000 years, so we
need to fix their fears, Wipe away their tears, so
they can only hear cheers, of freedom
Cause there is a tonne, of chickens who are
sickened, from being imprisoned,
All these caged chickens, are panic stricken,
because they are wishing, about not missing,
A life of freedom, only provided to the free
range chickens.
If you were in the chicken's shoes, you would
not be amused,
The poor creatures are living a life that is hard,
when all they want to do is eat scraps in a
chook yard,
And scurry around, but life in a cage is way
different to the ground.
Chickens get their beak cut off, which makes
them cough,
They have lots of nerves in their beaks and they
do it without pain relief.
Never use chickens as meat, chicken's hearts
love to beat, they're made for eggs not meat.
The morale of this story is, that we need to
change, to make caged become free range.

HATS - By Jude C

There are dog people and cat people. And like
dog and cat people there are also the kind of
people who have an obsession in either beanies
or Hats...

You see, I'm a hat person, and like all hat people
I would like you to have the same feelings as I
towards hats as well.

I mean...what kind of a hat do you prefer, if I
may ask?

Are you the formal kind of person of who would
wear a large top hat? Or perhaps you are the
kind of person who likes to wear a more...let's
see...slack cap?

Are you the kind of person who likes hats for
their functionality...? Like a sun hat or perhaps a
hat with a broad rim.

Perhaps a cap with two drinks and a straw, or
maybe a plain hat with nothing at all!!

Or maybe you're into the kind of hat that has a
certain enchanting look, would you like to wear
a wizard hat kind of nook?

A hat that has been marked with the scent of a
cat. A hat that looks as if it isn't even a hat?

Or perhaps a hat that is vibrant with colour and
not a deep black?

This hat, that hat. A pink hat! This party hat. Pick
a hat, any hat, for goodness sake just
please...choose...a hat!

Look...you see...as much as I would like to give
you a hat, I am kind of running out of hats to
offer...What is this I hear?

You are not looking for a hat? Why this, this is an
outrage!

And I will certainly show you a hat once more to
change that!

You certainly don't seem to be the life of the
party, so I won't recommend a sombrero hat...
Hmmm...not this, not that.

Why I think I've found just the right hat!!

Would you try on the stylish black bowler hat?

No, not at all?

I've never met someone who's ever refused a
free hat like that, you must be the type of
person who really dislikes hats.

And as strange as this might be, that might just
be that.
